## Goals and motivation

Hopes to achieve a first class in his university degree and get into a world leading company earning a good amount of money to support a family in the future. He is motivated by his poor background growing up with a single parent.

## How they would use our site

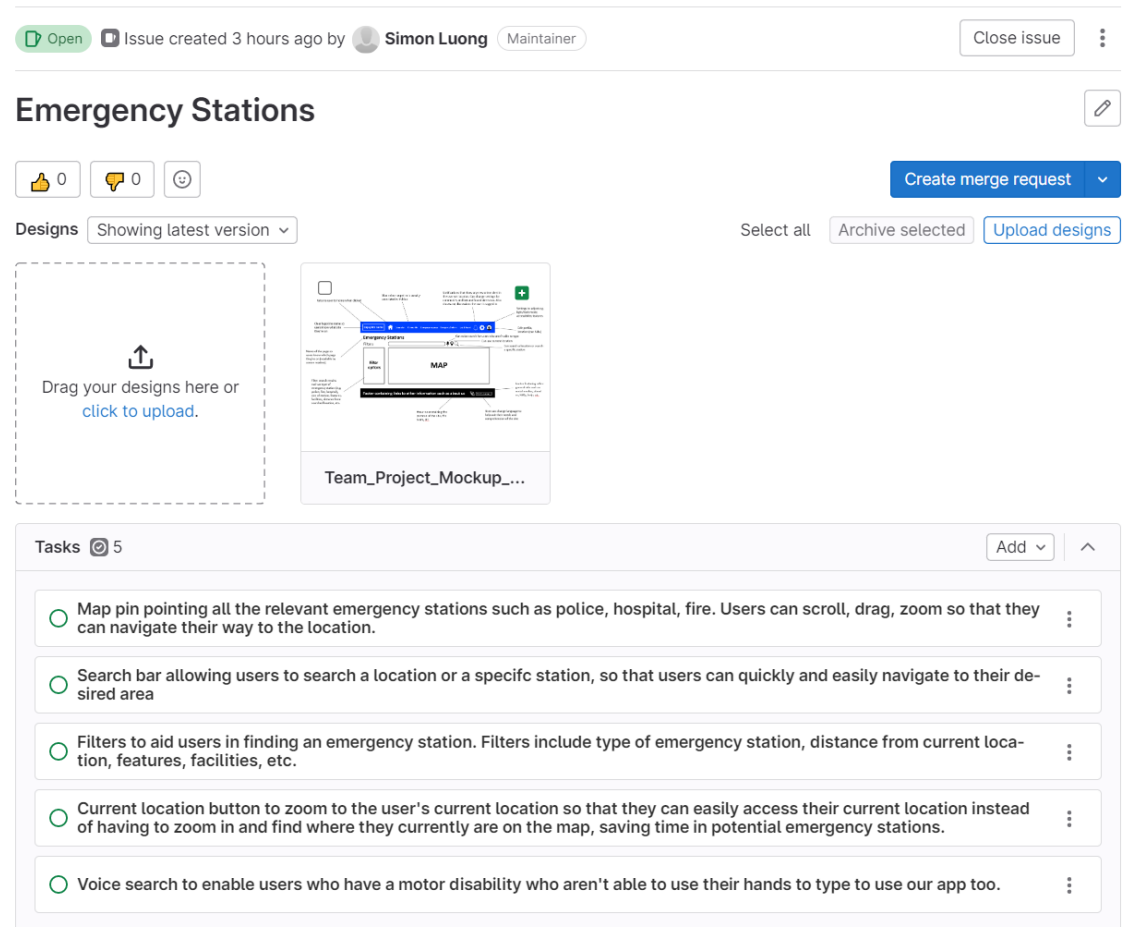

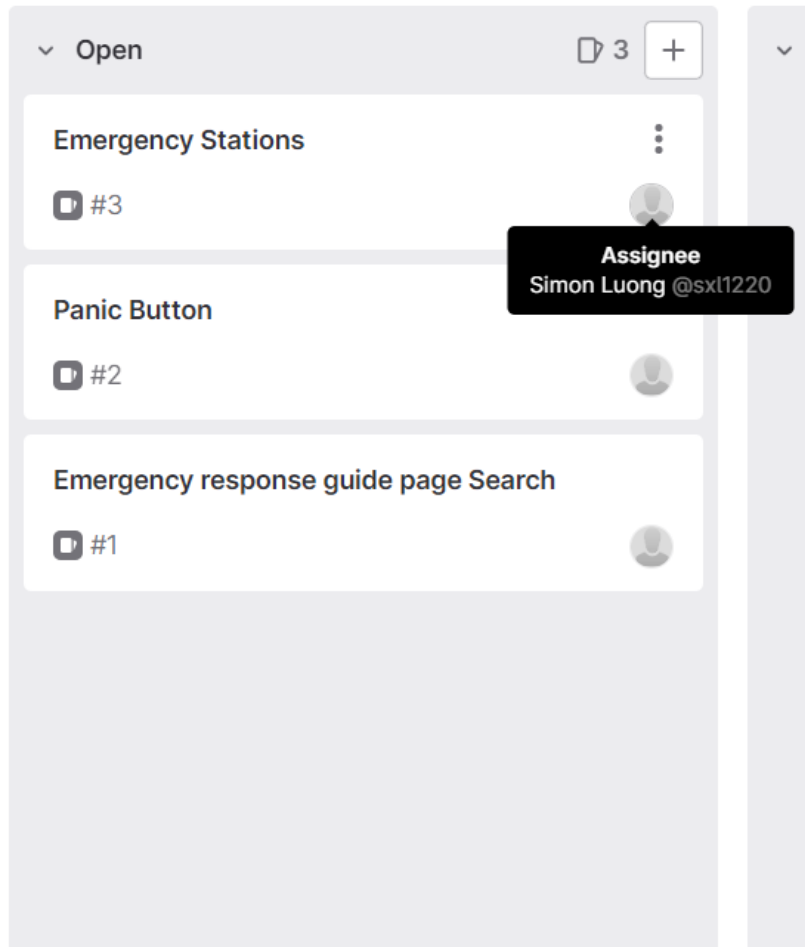

Growing up in an area known to be 'dangerous', he feels afraid sometimes to be out, especially after dark. With our site/app he can see which areas he should avoid especially when he finishes university late.
